What should I wear to volunteer?

Comfortable, safe footwear is absolutely necessary. No open-toed shoes, heels, sandals or flip-flops are permitted in the warehouse. Sneakers, shoes or work boots are preferred.

The dress code is casual and comfortable, but appropriate for a work environment. Please do not wear any suggestive or controversial clothing, including short shorts and tank tops. Long jewelry, necklaces or earrings are not allowed as they may pose a safety concern in the warehouse.

How can I help right in my community?

We have offsite and community partner volunteer opportunities. For additional information and to sign up, contact Lauren Snyder, Volunteer Resources Coordinator, at 908-355-3663 ext. 235 or lsnyder@cfnj.org.
