

VOLUNTEERING

CAN ONE PERSON  
REALLY MAKE A DIFFERENCE?

It happens here every day

The Community FoodBank of New Jersey provides a meaningful volunteer experience in a positive, safe environment that is perfect for individuals, families and groups of almost any size.

When we deliver boxes of food, we're not just filling empty stomachs. We're filling empty hearts with hope. That's help that goes far beyond the dinner table to rebuild lives and have a lasting positive impact on our community.

In 2018 we had nearly 43,000 volunteer visits at our warehouse and at off-site events. In all, volunteers donated some 105,000 hours of service in 2018.

- Packaging bulk pasta

## GOOD TO KNOW

The minimum volunteer age is twelve, with adult supervision. The CFBNJ warehouse is 285,000 square feet and there is always warehouse equipment in operation. We want to make sure that everyone stays safe.

Comfortable, safe footwear is absolutely necessary. No open-toed shoes, heels, sandals or flip-flops are permitted in the warehouse. Sneakers, shoes or work boots are preferred.

The CFBNJ dress code is casual and comfortable, but appropriate for a work environment. Please do not wear any suggestive or controversial clothing, including short shorts and tank tops. Long jewelry, necklaces or earrings are not allowed as they may pose a safety concern in the warehouse.

Please leave all valuables such as purses, bags, backpacks, music players, jewelry, etc. locked in your car or at home. The Community FoodBank of New Jersey is not responsible for missing personal belongings.
